40 Days of Prayer for God's Provision

Is God able to provide? Some people would answer this question with doubt in their minds. They believe they need to be self-sufficient, providing for their own needs whatever they may be. Other people depend on family, friends, or the government to provide for them. And then, there is yet another group of folks who anxiously doubt God's ability or willingness to provide for them.

As human beings, we need fresh provision each day, and God can be trusted to provide us with the many things we need in every area of our lives. Use this Prayer Focus to understand how God has committed Himself to provide what we need as we exercise faith and trust in Him, while seeking His kingdom. To increase your faith in God's ability to provide, commit to undertake this prayer series for 40 days.
